

## Studebakers Racing at Riverview Speedway in Thunder Bay Ontario in the '60's

Last night at Pier 4 in Hamilton, we met a man who showed us some pictures of Studebakers racing at Riverview Speedway in Thunday Bay Ontario. He sent them to us today and here they are. What a blast from the past!!!

1. The #12 car was owner and driven by Trev Wheeler.
2. These pictures were taken at Riverview in 1969
3. The # 1 car was owned and driven by Tom Nesbitt.
4. The older and "more abused" car was his first Studebaker and was run in 1968.
5. The second car with the black vinyl roof was run in 1969.
6. The picture where Tom is standing beside the car was taken in Superior Wisconsin in 1969.
7. These were all taken by a friend of mine, Brian Skedgel, from Thunder Bay.
8. Pictures courtesy Ken Kelly, Hamilton On.
